EPG

The Zehnder HX-2100 is a digital FHD cable receiver with a DVB-C tuner that delivers sharp picture quality in Full HD 1080p. The device offers versatile connectivity options, including HDMI, USB 2.0, SCART, and coaxial, as well as an integrated digital display. Thanks to the electronic program guide (EPG) and support for teletext and subtitles, operation is particularly convenient. The receiver supports software updates and WLAN via USB, features parental control and a channel and favorites list editor. Low power consumption in standby mode (<1W) makes the device energy efficient.

- Tuner: DVB-C
- Video resolution: 576p, 720p, 1080i, Full HD 1080p
- Power supply: AC100-240V
- WLAN support via USB

- Coaxial connector
- HDMI connector
- TV SCART
- AC 100-240V
- 4 MB flash memory
- 64 MB SDRAM memory

Product data:

Product weight (net, g): 290 g
Product length: 168 mm
Product width: 105 mm
Product height: 37 mm

Individual packaging:

Packaging weight: 420 g
Packaging length: 198 mm
Packaging width: 160 mm
Packaging height: 54 mm

Collective carton:

Carton weight: 10.4 kg
Carton length: 610 mm
Carton width: 403 mm
Carton height: 180 mm
Quantity per carton: 21

Palletizing:

Cartons per layer: 4
Number of layers: 11
Pallet height: 212 cm
Pallet weight: 482 kg
Quantity per pallet: 924
